## **Mission and Objectives**

**Green Valley Truck School:** Is a private institution that is approved to operate by the Bureau for Private Post-Secondary Education. CEC 94909(a) (2)

**Green Valley Truck School** (also known as **GVTs**) is dedicated to helping people gain success by providing the necessary tools to prepare students to drive commercial vehicles and obtain a class **A or B** License to better their future.

Some important components of our courses are traffic rules and public safety, which are not only an asset to the student driver, but are also a great benefit to the general public.

**Green Valley Truck School** provides the knowledge and techniques to its students in order to achieve the skills required to perform the driver's job.

**Green Valley Truck School** provides the solution for the need in qualified drivers demanded by the market, California Projections of Employment, published by the Labor Market Information Division of the EDD, estimated that 50,000 jobs will open through 2015. (These figures do not include self-employment or openings due to turnovers).

**Spanish Courses:** Green Valley Truck School is currently offering courses in Spanish. All materials offered will be provided in Spanish upon request, including any handbook or textbooks required by the course.
